

PUBLIC NOTICE

The Kusel, Wilson, Round Lakes Protection & Rehabilitation District proposes to chemically treat up to 20 acres on Wilson Lake and 5.85 acres on Kusel Lake for control of the invasive species curly-leaf pondweed (CLP) and Eurasian water-milfoil (EWM). Wisconsin Lake & Pond Resource will perform the initial treatment in for CLP control in April/May, 2018 and in May/June for EWM control only if necessary. The liquid herbicide Aquathol K (endothall active ingredient) will be used CLP while Aquastrike (active ingredients endothall and diquat) will be used for EWM. Warning signs will be posted within 150' of the affected areas at the time of treatment which will include any restrictions relating to fish consumption, swimming, or water use as follows;

***Aquathol K*[®] Treatment Areas for CLP:**

Lake users are able to use the treated water for any recreation activities (boating, swimming, fishing, etc), irrigation, or animal without restriction immediately after treatment. Do not use water treated with Aquathol K as a potable source unless concentration is below 0.1 PPM.

***Aquastrike*[®] Treatment Areas for EWM:**

Lake users are able to use the treated water for any recreation activities (boating, swimming, fishing, etc) and without restriction immediately after treatment. Users should refrain from using the water for human consumption for 3 days, turf and landscape irrigation for 3 days, agricultural irrigation for 5 days, and animal watering for 14 days following treatment.

The District will hold a public informational meeting on the proposed treatments if five or more individuals, organizations, special units of government, or local units of government request one in writing. The person or entity requesting the meeting shall state a specific agenda of topics including problems and alternatives to be discussed. The request for the public informational meeting must be sent in writing to Kusel, Wilson, Round Lakes P&R District, N5490 N Wilson Lake Road, Wild Rose WI 54984 and to Wisconsin Department of Natural Resources, 625 East County Road Y, STE 700, Oshkosh, WI 54901 within five days of this publication.
